Survey Questions - Pre-Focus Group Session Survey

Public Burden Statement

A Federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with an information collection subject to the requirements of the Paperwork Reduction Act of 1995 unless the information collection has a currently valid OMB Control Number. The approved OMB Control Number for this information collection is 0690-0030. Without this approval, we could not conduct this pre-focus group survey. Public reporting for this information collection is estimated to be approximately 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the information collection. All responses to this information collection are voluntary. Send comments regarding this burden estimate or any other aspect of this information collection, including suggestions for reducing this burden to the Nurture Nature Center at: 518 Northampton Street, Easton, PA 18042, Attn: Rachel Hogan Carr, Executive Director, rhogan@nuturenature.org.

1. How did you learn about this focus group?

Facebook Ad

2. What was your reason for attending?

I've always been curious what a focus group was like!

3. Have you, a family member, or close friend experienced one or more significant flood events (e.g., experienced damage, loss, evacuation) where you used National Weather Service (NWS) products or information?

Yes No

If yes, please indicate: ___ within the last 2 years ___ 2-5 years ago more than 5 years ago

4. Do you currently use NWS flood forecast products?

Yes No Unsure

If yes, please indicate which ones:

Please tell us about yourself.

9. Do you or your organization identify with any of the following groups that the federal government, in Executive Order 13985, has identified as underserved? Check all that apply.

Black, Latino, and Indigenous and Native American persons, Asian Americans and Pacific Islanders, and other persons of color

Members of religious minorities

Lesbian, gay, bisexual, transgender, and queer (LGBTQ+) persons

Persons with disabilities

Persons who live in rural areas

Persons otherwise adversely affected by persistent poverty or inequality

No, I do not identify with any of these groups

Thank you for participating. Your feedback is valuable.

5. How could NWS flood forecast products be made more valuable to you?

Forecast products are pretty good.

6. How much in advance of a severe weather event do you look for NWS forecast information? Week

7. Where do you get NWS information about imminent extreme weather events, such as flooding and hurricanes? Please check all that apply.

A Federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with an information collection subject to the requirements of the Paperwork Reduction Act of 1995 unless the information collection has a currently valid OMB Control Number. The approved OMB Control Number for this information collection is 0690-0030. Without this approval, we could not conduct this pre-focus group survey. Public reporting for this information collection is estimated to be approximately 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the information collection. All responses to this information collection are voluntary. Send comments regarding this burden estimate or any other aspect of this information collection, including suggestions for reducing this burden to the Nurture Nature Center at: 518 Northampton Street, Easton, PA 18042, Attn: Rachel Hogan Carr, Executive Director, rhogan@nurturenature.org.

1. How did you learn about this focus group?

A Friend

2. What was your reason for attending?

Informational

3. Have you, a family member, or close friend experienced one or more significant flood events (e.g., experienced damage, loss, evacuation) where you used National Weather Service (NWS) products or information?
